# Remember Gordie

Gordie Bailey was a freshman at the University of Colorado.

He and 26 other pledges were told to drink 4 handles of whiskey and 6 bottles of wine in just 30 minutes.

After, Gordie was visibly intoxicated and left to "sleep it off" at the fraternity house.

He was found dead the next morning, face down on the floor.

He was only eighteen.

No one called for help.

**Save a life. Make the Call.**
